Points for Islamic Activities during Ramadan

Ramadan is the best time to learn and practice more about Islam. Try to be more active as a Muslim boy/girl. Simply keep track of all the Islamic Activities during the month of Ramadan

Points may given for different activities during Ramadan. Use the guideline to determine how many points you earn for an activity. for example if you performed all 5 salats (prayers), donated 1 dollar in mosque and memorized 1 Ayat in a day, you should be marked : 15 + 10 + 15 = 35 for that day. Count for total points at the end of the Ramadan.
